The Board may, from time to time grant Performance Rights to an Eligible Person (as defined below) upon the terms set out in the Plan and upon such additional terms and conditions, including any Performance Conditions, as the Board determines (which may include granting Performance Rights in tranches). For the avoidance of doubt, the Board has the sole discretion to determine which Eligible Persons are to be granted Performance Rights and when any such grants of Performance Rights are to be made.

The Board may only grant Performance Rights where an Eligible Person continues to satisfy any relevant conditions imposed by the Board (which may include, without limitation, that the Eligible Person continues to be an employee and/or director (as applicable) of the Company, any of its subsidiaries or any other entity declared by the Board to be a member of the group (“**Group Company**”) at the relevant time).

Performance Rights

Unless the Board determines otherwise:

- each Performance Right entitles its holder to one Share upon vesting and exercise of that Performance Right;
- no payment is required for the grant of a Performance Right;
- each Performance Right is unlisted and will not be quoted on the ASX; and
- Performance Rights do not confer on the holder any entitlement to any dividends or other distributions by the Company or any right to attend or vote at any general meeting of the Company.

Eligible Persons

An Eligible Person means a person who the Board determines to be eligible to participate in the Plan (and may include a director of any Group Company).

Performance Conditions

A Performance Condition is any condition determined by the Board which must be satisfied or circumstances which must exist before a Performance Right vests and a person who holds a Performance Right can, if they so determine, exercise the Performance Right.

Vesting of Performance Rights

A Performance Right granted under the Plan will not vest unless:

- the Performance Conditions attaching to the Performance Right have been satisfied or have otherwise been waived by the Board; or
- the Board otherwise determines in accordance with the terms of the Plan (which includes in the event of a takeover, scheme of arrangement or winding-up of the Company as summarised in this schedule).

Lapsing of Performance Rights

An unvested Performance Right will lapse in various prescribed circumstances, unless the Board determines otherwise. Such circumstances include:

- the date and time specified by the Board on or before the grant of the Performance Right;
- if a participant ceases to be an employee and/or director of the Company or any of its subsidiaries for any reason or they cease to satisfy any other relevant conditions imposed by the Board at the time of grant of the Performance Rights;
- failure to meet the Performance Conditions attaching to the Performance Right or any Performance Conditions no longer, in the opinion of the Board, being capable of being satisfied in accordance with their terms;
- if, in the opinion of the Board, a participant acts fraudulently or dishonestly, is in breach of their duties or obligations to any Group Company, has committed act of harassment or discrimination or has done any act which has brought the Group or any Group Company into disrepute (this may also apply to vested Performance Rights if determined by the Board);
- the 7 year anniversary of the date of grant of the Performance Right.

Trading of Performance Rights

Each Performance Right granted under the Plan cannot be traded other than with prior written consent of the Board or by force of law upon death of the holder of the Performance Right (and then only to the holder's legal personal representative) or if the holder of the Performance Right becomes bankrupt (and then only to the holder's trustee in bankruptcy). Any attempt to trade the Performance Right by the participant other than the reasons described will result in the immediate lapsing of the performance rights (unless the Board determines otherwise).

Exercise of Performance Rights

The exercise of a Performance Right is conditional upon the Performance Right having vested. If a Performance Right has vested, the holder of the Performance Right is entitled, in accordance with the exercise procedure set out in the Plan, to require the Company to issue, or procure the transfer to, him or her (or their personal representative) the number of Shares to which they are entitled from the exercise of the Performance Right.

Capital Reorganisation

If Shares are issued pro rata to the Shareholders generally by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment) involving capitalisation of reserves or distributable profit or any reorganisation (including consolidation, subdivision, reduction or return) of the issued capital of the Company is effected, the number of Performance Rights to which each participant is entitled, or any amount payable on vesting and exercise of the Performance Rights, or both as appropriate, will be adjusted in the manner determined by the Board to ensure that no advantage or disadvantage accrues to the participant as a result of such corporate actions (subject to compliance with the ASX Listing Rules applying to a reorganisation of capital at the time of the reorganisation).

Takeover, Scheme of Arrangement and Winding-up

In the event of a takeover bid (as defined in the Corporations Act) where the bidder and its associates acquire a relevant interest in at least 50% of the voting Shares of the Company, the Board may determine that all or a specified number of a participant's Performance Rights immediately vest. Any granted Performance Right which does not vest following the Board's determination will automatically and immediately lapse, unless the Board determines otherwise.

The Board may determine that all or a specified number of a participant's Performance Rights automatically vest where:

- a Court orders a meeting to be held in relation to a proposed compromise or arrangement for the purposes of or in connection with a scheme for the reconstruction of the Company or its amalgamation with any other company or companies;
- any person becomes bound or entitled to acquire Shares in the Company under section 414 of the Corporations Act or Chapter 6A of the Corporations Act;

- any other merger, consolidation or amalgamation involving the Company occurs or is proposed where the Board determines that the relevant circumstances constitute a change in control of the Company;
- the Company or any other Group Company enters into an agreement or agreements to sell, in aggregate, a majority in value of the business or assets of the Group to a person or persons that are not Group Companies;
- the Company passes a resolution for voluntary winding up; or
- an order is made for the compulsory winding up of the Company.

If no determination is made or if the Board determines that some or all of a participant's Performance Rights do not vest, those Performance Rights will automatically and immediately lapse, unless the Board determines otherwise.

Shares issued under the Performance Rights Plan

Any Shares issued under the Plan upon vesting and exercise of a Performance Right will rank equally in all respects with other Shares for the time being on issue except as regards any rights attaching to such Shares by reference to a record date prior to the date of their issue. The Company will apply for quotation of Shares issued under the Plan. However, the Shares will be subject to the following transfer restrictions, and may not be traded on ASX while those transfer restrictions apply:

- A participant is not entitled to trade in any Shares issued under the Plan without the prior written consent of the Board until the earlier to occur of:
 - (a) 7 years after the date of grant of the Performance Rights;
 - (b) the date on which the participant ceases to be employed by the Company or any of its subsidiaries; or
 - (c) such other date as the Board determines.
- The Company may implement any other procedures it considers appropriate to restrict a participant from trading in Shares issued under the Performance Rights Plan in accordance with these transfer restrictions.

Plan Trustee

The Company may, at the sole discretion of the Board, determine that any Performance Shares be acquired by a Plan Trustee and then, from time to time, transferred to a participant. The Company may determine and conclude agreements with the Plan Trustee, and enforce or prosecute any rights and obligations under such agreements, without reference or recourse to a participant under the Plan.

Other

- The Board may at any time by resolution amend all or any of the provisions of the Plan, provided that such amendment is in compliance with the ASX Listing Rules and provided that no amendment is made to the terms of any granted Performance Right without the prior written consent of the participant which reduces the rights of the participant in respect of that Performance Right, other than an amendment introduced primarily for the purposes of complying with present or future legislation, to correct a manifest error or mistake, to benefit the administration of the Plan or to take into consideration possible adverse tax implications.
- The Board may terminate or suspend the Plan at any time, provided that such termination or suspension does not materially adversely affect the then existing rights of participants.
- The Board may waive in whole or in part any terms or conditions (including any Performance Condition) in relation to any Performance Rights granted under the Plan, but will only exercise such a discretion in exceptional circumstances.
- The Board may decide on appropriate procedures for administering the Plan and make regulations for the administration and operation of the Plan.
- The Board may waive any breach of a provision of the Plan.
- The Board may resolve conclusively all questions of interpretation arising under or concerning the Plan and any dispute of any kind that arises under the Plan.
- Each participant must adhere to the Company's Share Trading Policy found on the Company's website and to the insider information provisions of the Corporations Act.

- No participant has any right to compensation or damages as a result of termination of his or her office, employment or other contract with a Group Company for any reason (whether lawful or unlawful) in connection with the participant ceasing to have rights under the Plan as a result of the termination
